First built in the 1960s for rescue work, the Rigid Inflatable Boat has revolutionised the marine market. The Complete RIB Manual, published to coincide with the 50th anniversary of the first RIB, is the ultimate reference catering all aspects of a RIB's design, handling and maintenance, aimed at all owners and users, both commercial and leisure. The emphasis of the book is entirely practical, and covers: 1. A History of the RIB • Early development • Modern design: leisure, commercial and military 2. RIB Handling • Impact of hull design, tube types, internal layout and engines • Driving techniques: throttle control and driving position • Advanced techniques for economy, sport and rough seas • Cruising: planning, weather, anchoring and communications • RIBs as tenders - stowing and towing • Launching and transportation • Safety and survival 3. Maintenance • Outboards, diesels, water jets, stern drives, fuel tanks and electrics • Tube care: cleaning, repair, replacement • Hull maintenance • Winter storage, checking for leaks, servicing The Complete RIB Manual is a comprehensive worldwide reference for all RIB owners and users, covering all the information necessary to handle and maintain a RIB of any size. There are more than 4000 miles of navigable waterways in Great Britain, with more in Ireland and Europe. Peaceful canals, bustling rivers, glorious lakes - there is something for everyone. This book will tell the reader all they need to know about how to get afloat - which boat to choose, whether to hire or buy, how much it will cost, and where they can go. Boat handling and manoeuvring are covered in detail, along with maintenance and repair. And there is a section on trailer boating for those who want to keep their boat at home, advice on living aboard for long periods, night-time navigation and training. This is the only book novices will need to take their first steps afloat, and it is the one they will keep by them throughout their boating years. 'This is the book to read from cover to cover' Cruising 'The perfect introductory guide to those new to the waterways' Maritime Journal
