available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. Stories and observation's from America's best

motorcycle journalist. Peter Egan's writing invites you to pull up a chair, pour a little scotch, and relax while he shares with you his tales from the road, his motorcycling philosophy, and his keen observations about the two-wheeled life. His columns and feature articles are among Cycle World's most anticipated each month. Egan's legions of fans know they will always leave his articles with a fresh perspective. Leanings 3 offers a fresh collection of Egan's motorcycle musings delivered in his signature wise but amusing style. For added perspective, each feature article is

preceded by fresh commentary from the author. This is an unforgettable collection of the works of a master writer whose simple adventures of life remind us all why we love to ride. American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. Covering the period of Shiloh to the prelude to

Vicksburg, Volume 5 of this distinguished series converges on the many dramatic changes taking place in Grant's military career. The bloody two-day battle of Shiloh, the dominating event covered in this volume, shocked both North and South, caused public opinion to run against Grant, placed his career at a low point, and tested his will to remain in service. The period, therefore, is significant for the portrait emerging of Grant meeting a variety of problems ranging from grand strategy to mundane detail. The volume is particularly rich also in unpublished letters and

documents from some twenty-two institutions and nine private collections here opened for the first time. Reproduction of the original: A Short Life of Abraham Lincoln by John G. Nicolay American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. Major General Don Carlos

Buell stood among the senior Northern commanders early in the Civil War, led the Army of the Ohio in the critical Kentucky theater in 1861-62, and helped shape the direction of the conflict during its first years. Only a handful of Northern generals loomed as large on the military landscape during this period, and Buell is the only one of them who has not been the subject of a full-scale biography. A conservative Democrat, Buell viewed the Civil War as a contest to restore the antebellum Union rather than a struggle to bring significant social change to the slaveholding South. Stephen Engle

explores the effects that this attitude--one shared by a number of other Union officers early in the war--had on the Northern high command and on political-military relations. In addition, he examines the ramifications within the Army of the Ohio of Buell's proslavery leanings. A personally brave, intelligent, and talented officer, Buell nonetheless failed as a theater and army commander, and in late 1862 he was removed from command. But as Engle notes, Buell's attitude and campaigns provided the Union with a valuable lesson: that the Confederacy would not yield to

halfhearted campaigns with limited goals. Harley-Davidson sets the standard for making great motorcycles--and showing people how to enjoy them. Here's its story. "The Perfect Motorcycle" provides the definitive, step-by-step process any motorcyclist can use to identify, find, and purchase the right bike. The book's practical advice and proven techniques are accompanied by invaluable worksheets that save time and money. American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the

These 365 must-ride motorcycles range from classic gaslight-era bikes, racers, and modern sportbikes to oddities that have to be ridden to be understood (or believed). The only thing more terrifying than fighting for your life is fighting for someone else's... Bodyguard and ex-Special Forces soldier Charlie Fox would do anything to take her mind off

her partner; shot, left for dead and now lying in a coma. So concentrating on a new assignment seemed like the perfect way to escape the pain, and her own empty apartment. The job looked simple: to protect the naive daughter of an investment banker from a ruthless gang of kidnappers. But when her instincts lead Charlie to suspect an inside job, she finds out that not everyone who mingles with the jet-set is what they seem - and the idle rich can be as ruthless as any criminal... An electrifying tale of cross and double-cross, Fifth Victim will keep you firmly on the edge of your

seat. Historical review of the 3-day battle of Shiloh with a cast of characters for the North and South. Link for genealogists.
