Ethnicity and Class Jan 13 2022 "Belgaum, in India's southern state of Karnataka, is a city that has consistently found itself in the news since the 1950s. This media interest is due to issues arising from its ethnic character. The city is home to multiple linguistic groups with Kannada and Marathi both contending for linguistic, and consequently, social and political prominence." "This fractious backdrop forms the basis of the present book. Ethnicity and Class interrogates issues of ethnic identity in terms of their social location and historicity. Furthermore, it seeks to demonstrate the significance of class in analysing the dynamics of social life and its construction in India. What emerges, in consequence, is the notion that a comprehensive understanding of Indian society needs to move beyond the narrow confines of single indicators like caste, religion or language, to more inclusive concepts."--BOOK JACKET.

From Root to Fruit Oct 30 2020 Spanning a period of two hundred years, "From Root To Fruit" travels through time and history, culminating in the biographical story of a well respected civil engineer, K. S. Ramaswamy, from Mysore. As it passes through his ancestral lineage, the book describes the struggles faced by local populations at the time of the British Raj. It delves into their civil, religious and cultural strife as the political climate changes with the diminishing reign of the Maharaja of Mysore. Originally written in Kannada, this book was translated into English for the benefit of non Kannada readers. This book serves as a commemoration and tribute to K. S. Ramaswamy and his ancestry, to be appreciated by his descendants who straddle several continents, cultures and languages. To all his progenies, who remain close knit over generations, this is for our dear Appiah, Athambi, Ramanna...
