Na een nare scheiding heeft Tara Kendall haar baan opgezegd om in Parable een carrière te beginnen als kippenboerin. Haar boerderijtje is een waar paradijs, en tussen de kakelende kippen komt ze helemaal tot rust. Alleen de roestige trailer aan de overkant is haar een doorn in het oog. Net als de bewoner, de irritant zelfverzekerde cowboy-sheriff met wie ze al een paar keer een aanvaring heeft gehad. En aan wie ze op een of andere manier telkens moet denken. Het hoofd van sheriff Boone Taylor staat niet naar romantiek. Al helemaal

niet nu zijn twee zoontjes, die sinds het overlijden van zijn vrouw door zijn zus werden opgevoed, weer bij hem komen wonen. Het is dus te gek voor woorden dat zo'n stoere vent als hij geen woord kan uitbrengen als hij zijn nieuwe buurvrouw tegenkomt! Hij besluit haar zoveel mogelijk te mijden. Maar dan wordt hij weggeroepen voor een noodgeval, en is Tara de enige die hij kan vragen op de jongens te passen...

A year has passed since the night Jules Blacklin and West Rutledge were thrown together by a tornado. Now college freshmen, they've worked hard to overcome the tragedies of their pasts to start anew. Madelaine Miller heeft op bewonderingswaardige wijze de klassieker Ilias opnieuw vormgegeven in een eigentijdse, spannende roman waarvoor ze de Orange Prize 2012 heeft gekregen. Patroclus is een jonge prins, verbannen naar het

koninkrijk van Phthia om daar op te groeien met godenzoon Achilles. Achilles is sterk, mooi, een gouden kind: alles wat Patroclus niet is. Maar ondanks hun verschillen raken de jongens innig bevriend, en hun band wordt sterker naarmate ze ouder worden. Dit tot verdriet en woede van Achilles' moeder Thetis, een wrede zeegodin die een hekel heeft aan stervelingen. Als duidelijk wordt dat Helena van Sparta is ontvoerd en alle Griekse mannen verplicht zijn om haar eer te wreken en Troje te belegeren, sluit Achilles zich aan bij het leger, verblind door de belofte van roem. Patroclus, verscheurd door liefde voor en angst om zijn vriend, gaat met hem mee. Zij weten niet dat het lot hen tot het uiterste zal testen en hun zal vragen om een verschrikkelijk offer. Als iets van mij is, houd ik het ook. Dat geld took voor Keira Kilgore. Het is niet meer genoeg dat ze bij mij in het krijt staat. Niet meer genoeg dat haar lichaam van mij is. Ik wil meer. Ze kan wel proberen me te weerstaan, maar ik geef het niet op. Ik geef háár niet op. Niets zal er tussen ons in staan. Niet zijzelf. Niet mijn vijanden. Niemand. Die schuld aan mij kan ze maar op een manier inlossen: met haar hart. Zondig koninkrijk is het derde en laatste deel in de Mount-trilogie. De avond is ongemak is het schrijvende verhaal van een religieus boerengezin dat wordt getroffen door de dood van een kind. Matthies komt op een dag niet meer terug van het schaatsen en laat zijn zusje Jas in totale verwarring achter. Door de ogen van de tienjarige Jas zien we hoe de familieleden elk op hun eigen manier omgaan met het verlies. Vader en moeder zijn volledig verlamd door verdriet en zien niet hoe Jas en haar zusje Hanna en haar broer Obbe ondertussen langzaam ontsporen. Onder leiding van Obbe ondernemen ze morbide experimenten met dieren en Hanna en Jas dromen hartstochtelijk van een Redder, een man als Boudewijn de

Groot, een man die hen mee kan nemen naar de Overkant en hen in kan wijden in de geheimen van hun seksualiteit. "You are cordially invited..." Four words that spark the fear of God into any gently bred, single southern woman. When Savannah Guthry receives an invitation to her cousin's wedding back home in Charleston, South Carolina, her first thoughts aren't of flowers and dresses. Instead, she's reminded of the groom: her first love and the reason she ended up at a college 500 miles away from home. Determined to show up and dazzle not only her ex but her spoiled cousin too, Savannah allows her friends to set her up on a series of dates looking for Mr. Right. Wrapped up in her memories of the past and the drama of the present, Savannah doesn't recognize a pattern in the seemingly random events that occur around her. There is a dangerous threat looming in the shadows, and if she's not careful, she might lose more than Mr. Right. **This book is a New Adult Romantic Suspense. It is intended for mature (17+) audiences due to mild language and sexual situations** The sequel to *Awaken the Soul*, this novella continues the story of Breckin and Vivienne, whose hearts and souls are once again on the line. Nearly dying, being stalked by a reaper, and finding her soulmate, all before Christmas, were not items on Vivienne Freeman's senior year bucket list. Now that Vivienne's survived December, Breckin Roberts decides they've had enough excitement for one year. As January rolls around, he is determined they finish out their school year like normal teens. Except there's nothing normal about these two. When Vivienne's supernatural abilities manifest, Breckin questions whether the changes are due to their soul bond, his healing her, or something more. They turn to Elias for answers only to discover there's an entire history connecting their families they knew nothing about. As the fallen descend

on Havenwood Falls, Vivienne and Breckin are caught in a fight bigger than themselves. They must unravel the secrets and avenge the heart before any chance of redemption is lost forever. Their journey began with a promise..."I won't let you fall. You will not die for me. I can't live with that, Xander, and I would rather let them take me before I let them kill you." He opened his mouth to argue, but I held up my hand. "Don't argue it. There's no point. I've made up my mind." He shook his head, but didn't argue. Instead, he promised as he always did, "If anything happens to you... if we get separated, if you martyr yourself... anything, Skye. As long as I am breathing, I will always find you. Always." Those were precisely the words I'd counted on him saying. AN ORPHAN with no memory of her past and no hope for her future. A GUARDIAN determined to keep her safe. A DESTINY neither of them expected. "In a matter of minutes on a Friday night, I lost my school, my identity, the security of my first love, the personality of my sweet fearless brother, my best friend, my town, everything as I knew it. Everything changed." "Minutes - that's all it takes to change your entire life. How do you deal with that?" For high school senior Jules Blacklin surviving the storm is only the beginning. Faced with the new reality of her life, she must find a way to rise From The Wreckage and answer the question - how do you get back to normal, when everything that was normal is gone? At fifteen, an accident turned my world upside down. Scarred in every way possible, I shut down, finding comfort by self-inflicting pain. I've grown accustomed to the truths of my life, but I'm tired. Tired of this reality... Tired of the need... Of the pain... I'm weary of being this person... Of being alone... Though, I'm more afraid of letting someone in. It's been five years. Can I return home and face my fears? Overcome the pain? It's time to find out. For too

long, the story of my life has been one of horror. I want my fairy tale. I want my prince, my happily ever after. The question is, does it want me? He's a pro at protecting others, but can he protect his heart? She may be young, but Mia Mason doesn't play life safe. Until her quest for answers puts her in harm's way. Already reeling from unexpected news, being attacked in a place she considers a haven rattles her. Filled with secrets only his two best friends are privy to, Bodhi Lawson heads to Seaside Pointe to help his friends and chosen family unravel a mystery before another innocent person is hurt. As questions mount and Mia's safety is threatened for a second time, Bodhi takes matters into his own hands. And as secrets from the past are revealed, the Harris and Lockwood families discover the high price of their longstanding feud. This is the final installment in a four-book series. Key elements of the romance and plot are a continuation of the events occurring in previous books. It is recommended you read the series in order. Two souls desperate to discover the truth about the past and determined to save their future...SKYEThe usual warmth I felt deep in my soul when Xander was near me was beginning to dull. He fell, but he is not lost. For centuries, Elias maintained his innate goodness, fought against evil, and protected those in need-except for one. Grief-stricken, Elias pushed his loss aside for over one hundred years as he watched over the Freeman bloodline from afar, but the deeper his feelings grow for Harper Sinclair, the deeper old guilt digs in. Regret is a powerful tool when wielded against us, and vanquishing Harper's demons means confronting his own. There's a little darkness in all of us. Are you ready to embrace it?
