For each unit: Self-check exercises involving dictionary use and practice with the unit vocabulary ( Pour enrichir votre vocabulaire) Pre-reading activities focusing on vocabulary development specific to each reading and on its themes to activate schemata ( Pour vous préparer à la lecture). Pre- and post-listening activities accompany the authentic listening material in which native speakers discuss themes relating to the unit ( Pour vous préparer à l'écoute). Recordings of selected readings (poems, letter, songs) are also available for listening practice outside of or in class. Self-check grammar exercises ( Pour travailler la forme et les structures) provide extra practice for students who need more. Completely coordinated with the Sentieri textbook, the workbook and lab manual for Sentieri provides additional practice of the vocabulary and grammar presented in each of the textbooks twelve units. The Workbook will help build reading and writing skills in Italian. The Lab Manual activities are designed for use with the Sentieri Lab Program MP3s on the Sentieri Supersite. They will help build listening and speaking skills in Italian. The Video Manual activities will guide you through the video modules. It contains previewing activities, while-viewing activities and post-viewing activities -- p. v-vi. A separate Answer Key for the Student Activities Manual for Hoy Dia allows students to check their own work. The SAM consists of the Arbeitsbuch and Hörverständnis, and Video-Treff components. Each chapter of the workbook section begins with a useful summary of the grammar points presented in the corresponding chapter of the student text. The workbook section features a variety of exercises including sentence-building/sentence-completion exercises, fill-ins, matching exercises and realia-based and picture-cued activities. The Hörverständnis component contains spin-offs of the Vorschau, Zwischenspiel, and Zusammenschau dialogues, with accompanying activities on an audio CD sold separately. This lab program also offers

vocabulary and pronunciation practice, pattern-type exercises, and personalized questions. The Student Activities Manual contains homework and extra practice assignments for each lesson in the Chinese Link Traditional Characters Level 1 / Part 1 2e textbook. Homework activities are divided among listening, character recognition and writing, grammar exercises, and communicative tasks. The topics are directly correlated with those in the respective chapters of the textbook. The organization of the Student Activities Manual (SAM) parallels that of the student text. Activities corresponding to each Tema in the textbook recycle and reinforce the vocabulary and grammar presented in the textbook. The Diario at the end of the activities for Temas 2 and 4 guides students in writing paragraphs on the topics of the chapter. As in the textbook, the communicative nature of activities has been maintained so that students are required to think about the meaning of what they are writing, and grammatical forms are not practiced without relating them to meaning. The order of the activities follows directly the order of presentation of vocabulary and grammar in the corresponding Tema of the textbook, so that instructors who cover only part of a Tema during a class can easily assign the matching activities from that Tema of the SAM. As in the textbook, the final Tema of the SAM reviews material from throughout the chapter contextualized in a real-life setting. This SAM volume corresponds to Volume 1 of the Hoy día textbook. This completely revised SAM consists of workbook and lab manual activities with skill-based approach to vocabulary practice and grammar practice (ranging from single-response, semi-controlled, and open-ended practice), as well as reading and writing steps for a complete composition. Reinforcement of contemporary cultural coverage is also featured for each lesson. For the online environment, up to 80 percent single-response activities allow for independent practice of vocabulary and structures. Pronunciation and emphasis on spelling, accents, and setting context of useful expressions is a key feature of the revised SAM This Student Activities Manual consists of 22 chapters that correspond to the chapters in the student textbook. As in the textbook, the final Tema of the SAM reviews material from throughout the chapter contextualized in a real-life setting. This SAM volume corresponds to Volume 2 of the Hoy día textbook. This manual contains activities with an explicit focus on forms that help students practice Spanish vocabulary and grammar. The activities are designed specifically to introduce students to the

main concepts in a chapter prior to classroom instruction or to reinforce grammar points after classroom instruction. The Student Activities Manual: Preparation, is available in Quia format, as its questions require discrete answers. The Answer Key includes answers to all activities in the Student Activities Manual. Integrated into a single volume and organized to mirror the student text, the Student Activities Manual consists of workbook and audio activities directly tied to material in the text. The organization of the SAM materials for each chapter parallels that of the main text, facilitating assignment of homework corresponding to specific sections of the text. The Student Activities Manual contains written practice of the grammar and vocabulary presented in the textbook, as well as reading and writing practice. It also contains listening-comprehension activities and pronunciation practice. The workbook portion of the SAM includes the Pratica del vocabolario e della struttura section, to be completed after studying the corresponding text material, which provides reinforcement practice of the lesson vocabulary and grammar topics individually. The Pratica della comunicazione section, completed at the end of each text lesson, contains open-ended and communicative exercises to integrate the lesson material. The lab manual portion is designed for use with the SAM Audio Program. Written and oral exercises reinforce lesson structures and vocabulary and provide additional pronunciation practice. Also included are the dialogues from the text and numerous activities based on conversations, recorded messages and announcements, and descriptions to help you develop listening comprehension skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The Student Activities Manual contains homework and extra practice assignments for each lesson in the "Chinese Link" Traditional Characters Level 1 / Part 2, 2e textbook.
