Government Finance Statistics Yearbook, ~~Jan~~ 12 2020

The IMF Government Finance Statistics contains statistical
data on government financial operations for 156 countries.
Where reported, the database contains time series from 19
onwards using the Government Finance Statistics Manual
2001 (GFSM 2001) framework. The statistics, issued
quarterly, are updated as new data are received and time
series become available. These time series present combined
statistics on revenue, expense, transactions in non-financial

assets, and financial assets and liabilities, as well as on stock
of assets and liabilities of general government and its
subsectors.
