Christ's Image in Us Nov 12 2019 Everyone is born with the innocence of not knowing what lays ahead, whether their lives will be beautiful or full of strife. We charge forth with no fear of failing nor falling, like every child whose goal is to stand and take that first step, when they do, victory is written all over their faces and it looks like nothing can top that feeling nor take it away. We are all born with an attitude of being a conqueror, we are all born fighting to survive, from that first instinct to take a breath as soon as we come out of the womb to our dying breath. If we are all born with the instinct to survive and thrive in life what happens along the way that causes defeat to grip our hearts by the time, we reach adulthood? If we are created in the image of God and have been redeemed by the death and resurrection of His Son, Jesus Christ, who is the epitome of victory, overcoming death on the cross, what has happened to cause the image of God to be distorted within us? We are born into a sinful world that ends up stripping us of who we are. What is the image of Christ in us?

Asylum Jun 12 2022 Alexis's long-awaited second novel follows his award-winning Childhood. Set in Ottawa during the Mulroney years, Asylum is André Alexis's sweeping, edged-in-satire, yet deeply serious tale of intertwined lives and fortunes, of politics and vain ambition, of the building of a magnificent prison, of human fallibility, of the search for refuge, of the impossibility of love, and of finding home. Whether he is taking us into the machinations of a government office or into the mysterious workings of the human heart, Alexis is always alert to the humour and the profound truth of any situation. His cast of characters is eccentric and unforgettable, all recognizable in one way or another as aspects of ourselves or people we know well. At the centre of the story, which covers almost a decade, is a visionary project to build an ideal prison, a perfect metaphor for the purest aspects of artistic ambition and for all that is great and flawed in the world. André Alexis is a true original, one of the most talented and astute writers writing in Canada today. This dazzling novel is filled with tragedy, dry wit, intellectual grist. It is playful, linguistically accomplished, and psychologically profound. Its yearnings constitute the highest level of human concerns and pursuits. Alexis has written The Great Canadian Novel, with a twist.

Candy Aug 14 2022 An international literary phenomenon -- now available for the first time in English translation -- Candy is a hip, harrowing tale of risk and desire, the story of a young Chinese woman forging a life for herself in a world seemingly devoid of guidelines. Hong, who narrates the novel, and whose life in many ways parallels the author's own, drops out of high school and runs away at age 17 to the frontier city of Shenzhen. As Hong navigates the temptations of the city, she quickly falls in love with a young musician and together they dive into a cruel netherworld of alcohol, drugs, and excess, a life that fails to satisfy Hong's craving for an authentic self, and for a love that will define her. This startling and subversive novel is a blast of sex, drugs, and rock 'n' roll that opens up to us a modern China we've never seen before. Banned in China -- with Mian Mian labeled the 'poster child for spiritual pollution' -- Candy still managed to sell 60,000 copies, as well as countless additional copies in pirated editions. Candy has been published in eight countries to date and has become a bestseller in France.

Hawk & the Lady Sep 15 2022 Leah I didn't belong in their world, but I made a good show of pretending I did. Mother and Father expected it. All I wanted to do was get a cosy cottage in the suburbs and live with my million cats. What I got instead was suitor after suitor paraded in front of me and the threat of a looming engagement. So, what else was a girl to do? After bumping into Mrs Fortescue's 'companion' one too many times, I decided he'd do. Mother and Father wanted an engagement? They'd get one. Except I'd be the one having the last laugh because Patrick is the total opposite of what my parents want in a son-in-law - his nickname is Hawk for goodness' sake - and I have no obligations to him in any department. But of course, the best laid plans make fools of us all and it's not long before I want him to hold me accountable only to him in EVERY department. There's just the small problem of him being completely unsuitable and without any inclination to settle down. If there's one thing I know about men, it's that it takes a remarkable woman to tame them. I know I'm a remarkable woman. I only hope it's not too late for this lady to tame her hawk. Patrick If there's one thing that makes a guy reconsider his womanising ways, it's seeing his best mate and his little sister settle down. If there's another, it's a gorgeous woman in a stunning red dress. But she's a part of a world I can only pretend to fit into and she's a damned lady - elegant and sophisticated - and she's totally off-limits to a grunt like me. Every time we meet, there's a look in her eyes that suggests she's far less sophisticated than she'd have me believe. And it's not long before this hawk is close to begging to relinquish his freedom, even just for one night. So, how could I say no when she needed my help? I was expertly qualified to serve, and if I got to be myself for once that was just icing. But the more time I spend with her, the more I want to be around her. The more it feels less like a job and more like something real. There's just the small problem of her being an heiress with obligations that don't include me and the job will only last so long. I don't know a lot about ladies, despite my remarkable ability to play a part. All I know is there's always more underneath the mask, and there's only one lady who can tame this hawk.

Rules for Dating your Ex Jul 13 2022 ****Now a USA Today Bestseller**** If your ex arrives in your hometown eighteen months after you walked out on him while you were eight months pregnant, follow this short list of rules before you give him a second chance. Rule #1 - Don't stand in the way of your brothers who want to rough him up. Rule #2 - Don't meet him for coffee and agree to allow him to meet your daughter. Rule #3 - Don't drool when your daughter falls asleep on his chest for the first time. It's just your ovaries talking. Rule #4 - Don't let him hold your hand. While we're at it, no hugs, no kisses on the cheek... just no physical contact in general. That only leads to remembering better times. The last one is the most important... Rule #5 - When you find yourself needing someone's help and you're tired of always asking your family, don't let him be the one who's there for you. Because all those good qualities of his will suck you right back in and you'll have no chance of fighting your feelings, especially now that he's ready to be a father to your daughter.

Chance of A Lifetime Apr 17 2020 Gen Richards is done being "the helpless blind girl." He's bad for her and everyone knows it--especially her big brother. Chance reluctantly helps Gen complete her bucket list in order to keep her out of trouble. But running through a freezing fountain, playing spin the bottle while fending off a mad horde of stinging insects, and skinny dipping with homicidal attack swans don't hold a candle to the real danger: falling for the one person he can never have.
