Decades of isolation from tourism and development have left Cuba's coral reefs among the most pristine in the world, an "exceptionalism" that stands in stark contrast to the island nation's poverty and political situation. Famed diver/photographer Robert "Snorkel Bob" Wintner showcases these magnificent reefs with his astounding underwater images, while also capturing terrestrial life in the cities and villages of the island nation. Reef Libre is not a travelogue, but asks the big questions after a lifetime of isolation—can Cuba's reefs still thrive? Nearly 400 stills, a compelling narrative, and a DVD capture this delicate time in reef history. Reef Libre: The Movie is a mini-documentary which encompasses this pivotal moment—from the streets to the reefs. To watch the trailer for Reef Libre: The Movie, [click here!](#) The first book of criticism devoted to Pynchon's massive 2006 novel, Pynchon's *Against the Day: A Corrupted Pilgrim's Guide* gathers new work by more than a dozen scholars, offering readings informed by the newest developments in narratology, genre studies, ecocriticism, globalism, and the histories of science and religion. This title also offers fresh perspectives on divisive issues within Pynchon studies, such as anarchism, gender, and reviewers' reception of his recent work. What emerges is a novel that will come to be seen, these essays argue, as a major part of Pynchon's storied legacy and a key work of the "late Pynchon." Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such

as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations. Johannes Cabal is back -- a little older, a little wiser, but just as sharply funny, cuttingly sarcastic, and unexpectedly violent as ever. For necromancer Johannes Cabal, dealing with devils, demons and raising the dead is pretty much par for the course. But when his attempt to steal a rare book turns sour, he is faced by a far more terrifying entity -- politics. While awaiting execution for his crime, Cabal is forced to resurrect an inconveniently deceased emperor. Seizing his chance, the cunning Cabal engineers his escape, fleeing the country on a state-of-the-art flying ship. But the ship has more than a few unpleasant surprises, including an unwelcome face from the past and the small matter of some mysterious murders. Cabal may work with corpses but he has absolutely no intention of becoming one. Drawn into a deadly conspiracy, is he shuffling dangerously close to the end of his mortal coil? *The Gold Mines of the World* (2d edition - 1902). Written after an inspection of the mines of the Transvaal, Rhodesia, India, Malay Peninsula, West Australia, Queensland, Victoria, New South Wales, Tasmania, New Zealand, British Columbia, the Klondyke, United States, Alaska and Mexico. Illustrated with plans and photographs. The sea is a harsh mistress, forever testing the worthiness of those she holds close to her breast lest they become complacent and fall in her estimation. The men who hear that calling and respond to it seldom sway from it, for soon it is in their blood; but for the unfortunate few that err in their choice, she is quick to condemn them to the backwaters of seafaring history. *On Scattered Shores* is a collection of six sea stories. Each story is different, and together, they sketch the many moods and colours of a life at sea. From the perils of the unpredictable elements that test one's courage and character, to the battles within, of loneliness and despair. From fleeting love and its lasting memories, to love betrayed and its terrible consequences. Of mystical bonds that can only happen when man is one with the universe, far removed from the clutter of life ashore, these stories tell of the men who sail these ships, and the unique world they inhabit. Sail away on a voyage of romance and adventure, and feel the taste of salt and the whip of the wind in each of these tales. While extradimensional demons in disguise prowl the high-rise corridors of power, a twisted, ingenious, and all-too-human murderer stalks the back alleys. Only Ghost, the spectral protector of Chicago, can defend the world from their evil advances! But when a painful encounter with a familiar face sends Elisa Cameron on a hunt to uncover the mysteries of her past life, will she ignore her desperate city . . . and the friends she's pulled into her chaos? This volume collects the adventures of Dark Horse's intangible heroine from Ghost:

The White City Butcher #1 - #4. Never again. That's the promise she made to herself after two men broke her heart... but is it a promise she should keep? Phylomenia only has two rules. Never profit from someone else's suffering, and don't make the same mistake twice. Rekindling the flames of a thirty-year-old love affair would mean repeating the biggest mistake of her life—falling in love with Scott and Garrett. So why is she tempted to fall again? Scott made a mistake that cost him everyone he loved. The time has come to make things right. Duty. Loyalty. Honor. Scott Archer built his life around those principles. But duty is a cold companion, and honor can't heal the scars of the past. When fate brings the three of them together again, Scott must reforge the links between them or risk losing his loves forever. Garrett never expected to see them again. The one that got away... and the one that never was. Decades ago their love was torn apart by lies, death, and secrets. Now Garrett has both of them back in his sights, and he's determined to rebuild what they once had... only better. Phylomenia and Scott aren't same people they were back then, and neither is he. He knows what he wants, and he's going to take it any way he can. Old flames. New dangers. And one last chance to make a play for love... winner takes all. Humans, giants, dragons, and elves all were attacked by the magic using carnivores. Many blood campaigns were fought before the Saurians were finally defeated and driven back underground. This tale of magic and fantasy will keep you spellbound as the adventure as the adventure unfolds. Strange visitors throw a planet of refugees into chaos in this science fiction adventure by the author of New York Times bestseller The Uplift War. Book One in the Uplift Storm Trilogy Centuries ago, the Buyur race abandoned Jijo. Now off-limits to settlers, it's warded by guardian machines who will protect the planet until the Institutes of the Five Galaxies declare Jijo ready—in another million years—for new civilization. But mere laws and guardians can't keep out the desperate. Clandestine bands of "sooners" have sneaked down to the lonely planet. Six intelligent races—all refugees—have bickered . . . then built a new society in the wilds of Jijo, hidden beneath forest canopies. Together they live in harmony—and in fear of the day their illegal colony will be discovered and judgment from the Five Galaxies will rain down upon them. One day a strange starship finally does appear on Jijo. But its owners do not bring law or judgment. Only dire secrets. And they'll do whatever it takes to keep them . . . This ebook features a new introduction by the author. Hugo Award Finalist "A captivating read . . . Brightness Reef leaves you looking forward to more. It's a worthy addition to what promises to be a great science fiction series." —Star Tribune "Brin is

a skillful storyteller. . . . There is more than enough action to keep the book exciting, and like all good serials, the first volume ends with a bang." —The Plain Dealer "A universe that's immensely appealing, leaving readers hungry for more of this exciting, epic adventure." —Publishers Weekly "Tremendously inventive, ambitious work." —Kirkus Reviews "A timely, science fictional contemplation of the refugee experience."—Santa Fe Reporter Book Two in Chronicles of the Half Blood Siren (Following Book One: Dragon in the Water) What will happen when the man who swore to end Cora's life is her only chance at survival? Follow Amerson Reef on his road to redemption as he goes against all odds to help the half-blood siren. He may even find help himself through the process.

C. P. Ellis grew up in the poor white section of Durham, North Carolina, and as a young man joined the Ku Klux Klan. Ann Atwater, a single mother from the poor black part of town, quit her job as a household domestic to join the civil rights fight. During the 1960s, as the country struggled with the explosive issue of race, Atwater and Ellis met on opposite sides of the public school integration issue. Their encounters were charged with hatred and suspicion. In an amazing set of transformations, however, each of them came to see how the other had been exploited by the South's rigid power structure, and they forged a friendship that flourished against a backdrop of unrelenting bigotry. Rich with details about the rhythms of daily life in the mid-twentieth-century South, *The Best of Enemies* offers a vivid portrait of a relationship that defied all odds. By placing this very personal story into broader context, Osha Gray Davidson demonstrates that race is intimately tied to issues of class, and that cooperation is possible--even in the most divisive situations--when people begin to listen to one another.

Angeliques Vloek, een amulet van onschatbare waarde, ligt al eeuwenlang verborgen op de bodem van de zee. Wie hem vindt wacht roem, rijkdom en... de vloek die erop rust. Matthew Lassiter heeft een zeer persoonlijke reden om op de amulet te jagen: zijn vader werd er jaren geleden om vermoord. Hij heeft gezworen dat hij het ding zal vinden en zijn vaders dood zal wreken. Tate Beaumont wil Angeliques Vloek vinden vanwege de historische waarde - als maritiem archeoloog is ze gefascineerd door zowel de amulet als de legende. De twee gaan ietwat onwillig een samenwerking aan, die tot hun verrassing zeer vruchtbaar blijkt te zijn: ze vormen een goed team. Tot Matthews oude vijand opduikt, en de expeditie lijkt uit te lopen op een ramp... Nora Roberts heeft meer dan 200 romans op haar naam staan, en wereldwijd zijn meer dan 400 miljoen exemplaren van haar boeken verkocht. Indrukwekkende getallen waar haar fans niet van opkijken, want Nora is een auteur van onvergelykbare grootheid. Wie aan haar boeken verslingerd is, wil maar één ding: meer.

Reckless rogue or man of honour? Riding on a Sussex beach, Alexander Ellerdine fights through the waves to rescue a young lady trapped by the tide. He's instantly

captivated by her beautiful face and dauntless spirit—but as a smuggler with a tarnished reputation Zan has nothing to offer a woman such as her. Marie-Claude is determined to unravel the mystery of her brooding rescuer. His passionate kisses are as dangerous as his reputation. The integrity in his eyes indicates he's a gentleman...but the secrets and rumours say that he's a rake beyond redemption...

Captain James Cook is one of the most recognisable in Australian history - an almost mythic figure who is often discussed, celebrated, reviled and debated. But who was the real James Cook? The name Captain James Cook is one of the most recognisable in Australian history - an almost mythic figure who is often discussed, celebrated, reviled and debated. But who was the real James Cook? This Yorkshire farm boy would go on to become the foremost mariner, navigator and cartographer of his era, and to personally map a third of the globe. His great voyages of discovery were incredible feats of seamanship and navigation. Leading a crew of men into uncharted territories, Cook would face the best and worst of humanity as he took himself and his crew to the edge of the known world - and beyond. With his masterful storytelling talent, Peter FitzSimons brings James Cook to life. Focusing on his most iconic expedition, the voyage of the Endeavour, where Cook first set foot on Australian and New Zealand soil, FitzSimons contrasts Cook against another figure who looms large in Australasian history: Joseph Banks, the aristocratic botanist. As they left England, Banks, a rich, famous playboy, was everything that Cook was not. The voyage tested Cook's character and would help define his legacy. Now, 240 years after James Cook's death, FitzSimons reveals what kind of man James was at heart. His strengths, his weaknesses, his passions and pursuits, failures and successes. JAMES COOK reveals the man behind the myth. Dr. Keith Vintner has more money than he could ever spend, and a lavish lifestyle anyone would be a little jealous of. Rita Haley, enduring some of life's speed bumps, was finally on the path to happiness. Or so she thought. Michael Halloran was engrossed in his work, not taking to the dating scene since his wife's death, until he gets talked into signing up with a match-making service. Follow this trio as their lives get thrown into a tangled web of deception, and redemption. We need more stories like this' Christopher Golden, New York Times bestselling author of Snowblind 'An impressive debut. As much about the horrors of war as the primeval horrors that lurk in the depths of the human psyche' F.R. Tallis, author of The Forbidden Sometimes the past is best left buried Twelve years after fighting in Mesopotamia in the Great War, Harry Ward returns to the land where he lost his faith, his mind and almost his life. Haunted by

bloody visions of bayonets, shrapnel and shells, he takes up the offer of a simple job, working as a photographer on an archaeological dig outside of Mosul. As the dig progresses, Ward begins to realise that what they have uncovered is no ordinary temple; it holds a terrible secret. Now flashbacks are the least of his problems ... and he must face a new kind of terror. The Congressional Record is the official record of the proceedings and debates of the United States Congress. Jaxie wil niet meer naar huis. Zijn moeder is dood en zijn ouwe ramt hem keer op keer in elkaar. Hij zou willen dat hij wees was. Maar niemand heeft Jaxie ooit verteld dat je voorzichtig moet zijn met wat je wenst. In één gruwelijke klap wordt zijn leven teruggebracht tot wat er past in een plastic tas. En tot de vraag hoe hij zichzelf in leven kan houden. Er is maar één persoon ter wereld die hem begrijpt, maar om haar te bereiken moet hij de uitgestrekte zoutwoestijn van West-Australië doorkruisen, een helletocht die alleen een dromer of een vluchteling zou ondernemen. Logboek van een van de meest spectaculaire odyssees uit de tijd van de Tweede Wereldoorlog. In mei 1943 stort een Amerikaanse bommenwerper in de Stille Oceaan en zinkt. Boven het oceaanooppervlak verschijnt het hoofd van een jonge luitenant, de piloot van de bommenwerper, die verwoede pogingen doet om op een stuk drijvend hout te klimmen. Zo begint een van de meest indrukwekkende odyssees van de Tweede Wereldoorlog. Hoofdpersoon is Louis Zamperini, die als hardloper uitblinkt tijdens de Olympische Spelen in Berlijn en in de Tweede Wereldoorlog uitgroeit tot een toonbeeld van wilskracht en doorzettingsvermogen. De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela. When waves higher than the vessels that sail upon them smash against the half-submerged rocks at the extremities our coastline, the whole ocean becomes a raging foam which continues to claim the lives of unwary navigators. Man's struggle to build a permanent and durable structure such as a lighthouse on these sites is a story that cannot fail to stir the emotions of anyone who enjoys tales of endeavour, ingenuity and dogged determination. In this second edition of his book, Christopher Nicholson vividly describes the construction and history to the present day of some of the world's most famous lighthouses. Book jacket.
