As has long been Dr. Graham's personal practice, Words of Wisdom makes it easy for anyone to read five Psalms and a chapter from Proverbs each day for 31 days. This beautiful LeatherLike gift edition offers a convenient, easy-to-understand, and enjoyable way to discover how these ancient words deliver valuable life principles. King David wrote many of the Psalms, often with the passion of a worshiper and the anxiety of a 21st-century person, while dealing with everyday tensions. His son Solomon, largely known for his wisdom, wrote the wisdom literature of the Proverbs. In these nearly 3,000-year-old sacred writings, we hear the voices and counsel of those who knew God intimately. Let Words of Wisdom encourage you with divine hope and affirmation for living the life God has planned for you. PAPERBACK: Order here on this page. LOGOS BIBLE SOFTWARE: <http://tiny.cc/qoymtw> It is a daunting task for the new Bible student to walk into a store for the purpose of purchasing a Bible. Immediately, he is met with shelves upon shelves of more than 100 different English translation choices: AMP, AT, ASV, BLE, CEB, CEV, ERV, ESV, HCSB, IB, ISV, JB, KJ21, LB, MLB, NAB, NASB, NCV, NEB, NET, NJB, NIV, NIVI, NIRV, NKJV, NLT, NLV, NRSV, REB, RSV, RVB, SEB, TEV, TNIV, WE and on and on. He is even further bewildered when he realizes that, in addition to the standard format, there are different formats within each translation: a reference Bible, a study Bible, a life application Bible, an archaeology Bible. He further notices that some translations claim to be Essentially Literal, while others claim to be Dynamic Equivalent (thought for thought), which only serves to increase his confusion. The goal of THE COMPLETE GUIDE TO BIBLE TRANSLATION is to offer those new to the subject an overview of the history and methods, aims and results of the Bible translation process. In addition, the reader will gain an appreciation of the work and lifetime efforts of hundreds of Bible scholars over the past 450-years, who have labored, so that we can say that we have many very good translations that are a mirror like reflection of the original, in translation. The reader will also find that he or she has a renewed confidence in the reliability of the Bible. Finally, the reader will be able to determine for himself or herself, which translations are the best for study and research. Many people are troubled and lost in the search for solutions to their problems. But majority of them don't even know their problems. How can you find the right solution to your problem if you don't know exactly what it is? You may be experiencing an emotional storm right now, confused and wondering if anything valuable can ever come out of you. But I am telling you today that that is

about to change. In "Victory in Your Problems," Apostle Jean Saflo demonstrates how you can identify your problems and therefore find the most suitable solutions for them. It doesn't matter if your problems are a result of sin, wrong and unwise decisions, or simply the consequence of living in a fallen world, God still has a perfect plan for you to deliver you from all your troubles to permanent victory! An unexpected circumstance catches you by surprise. Someone you love dies. A relationship fails. You do something you regret. What I want to remind you is that, regardless of your situation, you can find hope in an out of control world. There is hope because God is picking up the pieces of our lives to make us whole again. There is hope because he has a plan. While we will experience pain and loss, God will restore our joy and restore that which has been lost. That promise is repeated over and over many times in the Scriptures. God will restore. He will pay back. What was lost will be found again. In fact, we will receive much more back than what we lost. There is a better future than what you are seeing and experiencing right now. You need to know that in a world where so much seems set against you, God is in control, and he is on your side. God is not your enemy. He is your advocate and defender. He wants what is best for you. He wants to give you a future and a hope.
