Gamification For
Dummies** Jun 26

2020 The easy way to grasp and use gamification concepts in business

Gamification is a modern business strategy that leverages principles from games to influence favorable customer behavior on the web in order to improve customer loyalty, engagement, and retention.

Gamification can be used by any department in a company (HR, Sales, Marketing,

Engineering, Support, etc.), for any web-based experience (mobile, website, retail, community, etc.).

Business Gamification For Dummies explains how you can apply the principles of this strategic concept to your own business model. How gamification evolved from Farmville/Zynga and Facebook and is now something that can be applied to the work environment How to build a successful gamification program How to entice and retain customers using gamification How to drive employee behavior inside your organization Real-world

illustrations of gamification at work If you're interested in learning more about this exciting and innovative business strategy, this friendly, down-to-earth guide has you covered.

Human Resources Kit For Dummies

Mar 24 2020 Align HR practices with

your objectives and keep your company competitive. A company's ability to grow and stay on top of customer demand has always depended heavily on the quality of its people. Now, more than ever, businesses recognize that finding (and keeping) a highly skilled and motivated workforce is pivotal to success. Maybe you're a business owner and your company is growing, or you're an employee at a small- to midsize-company and management has asked you to take on some—or all—of their HR functions. Either way, knowing how to set up and implement successful HR

practices (not to mention navigating the legal minefields in today's increasingly regulated environment) can be tricky. Human Resources Kit For Dummies is your one-stop resource for learning the nuts and bolts of HR. It gives you forms and templates that you can put to immediate and productive use. New information on anti-discrimination legislation; measuring performance; hiring, firing, and retaining employees; and training and development plans. The latest info on online and social media policies. Updated forms and contracts, from job

application forms and sample employee policies to performance appraisals and benefit plan worksheets If you're currently working in Human Resources or are responsible for employees in your business, the tools presented here help you maximize the effectiveness of your own HR program.
