Making Hard Cash in a Soft Real Estate Market Dec 12 2021 "Filled with creative strategies that work in today's market. A must-read for the real estate investor!" -Albert Lowry, PhD, New York Times bestselling author of How You Can Become Financially Independent by Investing in Real Estate A few years ago, even reckless real estate investors could still make money because the market was booming. But many markets have softened, and making a profit isn't as simple as it used to be. However-with the right strategy and long-term thinking-there is still plenty of money to be made in real estate. If you're willing to look outside your local market, you'll discover emerging markets that are booming. And there are also smart investing strategies that work especially well in slowing markets. You can do it! You just need the new rules and wise tactics you'll find in this practical, profitable guide: * Invest in up-and-coming, high-growth emerging markets * Learn the powerful strategy of market-timing * Use lease options to get more for your money * Learn creative strategies to engineer hands-off investments * Find foreclosures and other hidden bargains * Invest in bargain-rate new construction projects There are great deals hiding in every real estate market, and this book makes finding those values easy. Whether you want to locate the next up-and-coming growth markets, or find creative ways to finance your investments, Making Hard Cash in a Soft Real Estate Market is a savvy guide to investing for anyone who wants to play it safe and profitably.

Inside Real Estate Feb 14 2022 The real world of modern real estate exposed Inside Real Estate is a down-to-earth consumer guide for anyone navigating the property market in the digital age. Written by industry veteran Peter O'Malley, this book exposes the truth about modern real estate and shows you how to work the market to optimize your financial benefit. Forget what you've seen or heard — the media's hype surrounding real estate doesn't accurately reflect the reality on the ground. With the rise of digital platforms, foreign buyers and property booms and busts, the agent's role is changing amidst a rapidly evolving field; media spin benefits agents more than consumers, but this book offers step-by-step guidance on silencing the noise and working with reality. Exposing common practices and blowing myths wide open, this book shows you what the property market is today — and how to take advantage of it to buy, sell or invest in your best financial interest. Cut through the hype and learn the truth behind the myths Understand the agent's new and changing role in a disrupted industry Learn the tips, traps and tactics that could sink or save your investment Deal with rising and falling markets as a buyer or seller The industry's digital disruption is not going away, and certain aspects of the market have been permanently changed as a result. The good news is that property is still a smart financial move, and it is possible to come out ahead regardless of the market's behaviour — but first you need to separate spin from reality. Inside Real Estate takes you behind the curtain to help you navigate the market with clear eyes and a solid understanding of the real-world market.

Investing in Income Properties Jul 07 2021 Praise for INVESTING IN INCOME PROPERTIES "Investing in Income Properties is a cogent and well organized presentation of the principles of real estate analysis, financing, and investment. With his 'Big Six Formula,' Ken Rosen shares his knowledge and experiences on how to analyze and take advantage of commercial real estate investment opportunities. This book should be required reading in all real estate investment courses." --John S. Zdanowicz, PhD, Professor, Finance and Real Estate, and Director of the Jerome Bain Real Estate Institute, Florida International University "Ken Rosen has a unique ability to make the most complicated seem clear and easy to follow. In Investing in Income Properties, he gives practical steps so that the reader can take action and begin or continue to build wealth by investing in income properties. This book will become the buyer's bible." --Alex Zylbergait, Associate Director, National Office and Industrial Properties Group, Marcus & Millichap Real Estate Investment Services "Investing in Income Properties is a step-by-step approach to investing in commercial real estate. It is clear, easy reading with every base covered. This book is a great tool for both the new and seasoned investor." --Donna Abood, Chief Executive Officer, Colliers Abood Wood-Fay, Commercial Real Estate "Ken Rosen's style is straightforward and his formula for building wealth is well grounded in the fundamentals--nothing fancy or tricky about it! He even puts the would-be investor at ease by addressing the fear factors of real estate investing. Twenty-one years into my career as a real estate investment sales broker, I have met many successful investors, but Ken Rosen clearly stands out as a savvy, self-made entrepreneurial investor who is generously sharing his wealth of knowledge and insight in this very instructive and easy-to-read book." --David L. Meline, Executive Director, Capital Markets Group, Investment Sales Specialist, Cushman & Wakefield of Georgia Inc. "One of the best, precise, and accurate real estate books on the market. A must-read for investors at any stage." --Scott K. Sime, Managing Director, CB Richard Ellis Brokerage, Miami-Dade County

Harris Rules Aug 28 2020 Where does business come from? That's the question every real estate agent asks but few have a truthful answer for. In an industry constantly selling the "easy button" and overrun with shiny widgets, agents are pulled in multiple directions at once, each promising that if they "just do this," their dreams of success and fortune will come true. After 20 years in the business, thousands of home sales, and hundreds of thousands of coaching calls, Tim and Julie Harris tell the hard truths about what it really takes to make it in real estate. The new, revised edition of Harris Rules outlines specific, actionable, and proven rules of engagement that any agent—rookie or veteran—can count on as they pursue their real-estate funded goals and dreams. Harris Rules lays the groundwork, beginning with how agents need to think about the business. Moving them forward with a step-by-step action plan, Tim and Julie show agents how to create longevity by scaling the business and then teach them how to monetize it. In this book, you'll learn: - How to control your mindset to get more things done, even when you don't "feel" like it - The ideal schedule of a top-producing agent and how to focus it on what matters, profit - Why you can't rely on only one method of generating leads - How to use the proven Seven-Step Listing Process to win the listing virtually every time - How to really achieve financial freedom With all-new case studies, resources, and Q&As for the highly motivated agent, Harris Rules covers tricky topics with much-needed frankness: making a profit, why having a team isn't the "golden calf," gaining multiple lead sources (that you don't have to pay for!), focusing on listings, and the fact that repetitious boredom does pay off. Tim and Julie will tell you the truth: Harris Rules is the savvy agent's all-inclusive, no-BS guide to succeed in real estate.

The Insider's Guide to 52 Homes in 52 Weeks Sep 21 2022 A real estate guide unlike any other, The Insider's Guide to 52Homes in 52 Weeks is the true story of a seemingly impossible investing challenge and the two investors who pulled it off—all to prove that you can do it too. Successful real estate investors Dolf de Roos and Gene Burns wanted to show skeptical investors that there are always great deals to be found. So they set out to buy fifty-two homes in just one year. Not only did they succeed, they did it in less than ten months and earned a lot of money in the process! Tracing this ten-month real estate adventure in depth and detail, The Insider's Guide to 52Homes in 52 Weeks explains the authors' strategies and techniques for acquiring almost any property in any market. Inside, you'll find step-by-step guidance on: * Finding the perfect market to invest in * Designing your strategy and getting started * Making your first deal * Finding the help you need to succeed * Changing strategies midstream * Networking to find new leads and opportunities * And much more Combining unbeatable investing guidance with firsthand accounts of real deals, The Insider's Guide to 52 Homes in 52 Weeks arms investors with a diverse mix of strategies and tactics that will turn every real estate deal into a moneymaker.

How to Make Money in Any Real Estate Market Nov 23 2022 Virtually anyone can make money in a rapidly rising real estate market. As recent events have shown, it's just as easy to lose money when the economy heads south. But the better real estate investors generally know when to buy and when to sell. They know how to maintain control over their properties under adverse circumstances. They know how to work with lenders and how to find and evaluate the highest and best uses for a particular piece of property. These are the people who can make money (and not lose money) in all real estate markets—something real estate expert Robert Lawless shows exactly how to do in this book. Lawless details the primary investment strategies used by many successful real estate investors. Readers will learn how to make profitable investments in residential and smaller commercial buildings whether the market is headed up or down, and whether they invest in Greenwich, Connecticut, or Ames, Iowa. The information this book contains can save novice investors significant time and money, while also leading to greater investing profits.

Finding New Neighbors Apr 04 2021 Clearing the way to close can be a defining process for many professionals in the real estate industry. This process can easily separate the professional from the amateur or part time agent. Professional Real Estate Agents and Real Estate Brokers face a tough challenge every day. Negotiating an offer written on behalf of a buyer; Professional Realtors stand out from the general public as experts in their field. Whether it's a matter of disclosure requirements, ethics or simply due diligence on behalf of a transaction, it's important to seek the advice and representation of a true full time professionally licensed Realtor in every real estate transaction regardless of what side you may be on. "Finding New Neighbors" takes the reader into the trenches of buying real estate. If the buyer is looking to purchase a residential home, vacant land or a commercial investment property, this book will cover many of the specialized elements that they will encounter along the way. No single publication makes up an entire library of information. As this book reflects the buyers side of real estate, my next book "Echoes in the Hall" will represent the seller's side of the industry. In my last book; "Guide to New Custom Home Ownership", the reader learned about the process of new construction. Additional publications will be added along the way. "It is my intent to supply the reader an easy to understand publication that they can use as they proceed in searching for their new home or additional property for their family, future and investments." This book is designed with sections dedicated to writing notes and outlines so the reader can share their thoughts and ideas with their chosen agent or lender.

All Real Estate Is Local Jun 25 2020 Whatever the national trends are with regard to real estate — whether they are booming or busting—what really matters is what the market conditions are in your region, town, or neighborhood. For as David Lereah points out, in the end, all real estate is local. What does that mean? Even during the real estate boom of 2001–2005, a great many cities and regions did not participate in the boom—they lagged behind, or even decreased in value. Similarly, when prices began to fall nationally, there were plenty of regions and locales where prices rose, and sales boomed. As Lereah makes clear, the most important factor in buying or selling a home isn't what is going on nationally—it is what is going on in your local market. Evaluating present and future trends and influences in your region or neighborhood is essential to creating long term wealth, whether you are in a buyer's or a seller's market. And David Lereah, as the Chief Economist for the National Association of Realtors, shows you how to determine the conditions in your neighborhood. Lereah reveals how to: Evaluate the DNA of homes in the town or county or region you are considering (every town has its own real estate DNA—the characteristics that make a region or city more or less desirable to live in). Determine whether property values in your targeted neighborhood are on the rise. Research future real estate influences and trends, from migration into or out of the region, to plans to attract or develop new businesses in the area. Understand the local factors that can affect your investment in the future. Countless books offer advice on how to buy and sell a home. But ALL REAL ESTATE IS LOCAL is the first book to explain how knowing the ins and outs of the local market you are targeting is essential to deciding when, where, and what to buy.

Real Estate Investment Secrets Jun 06 2021 Back in the days of the wild, Wild West, when easterners traveled across this vast country looking for opportunity in the newly opened territories, they were often referred to as a 'tenderfoot'. This wasn't a complimentary term but it was a rather apt one. The easterners wore 'city' shoes that weren't designed to withstand the rigors of the western terrain. Their hats didn't have wide brims to protect them from the sun and their clothing wasn't made of tough material like denim. These new westerners didn't know how to take care of themselves and because they didn't know where and what the dangers were they didn't have any idea how to avoid them. If you are just beginning to consider the idea of investing in real estate you are a tenderfoot and you do need some instruction to avoid losing your shirt...and probably your pants, hat and boots, as well. First you will need to determine what your strategy will be in real estate investing. Do you want to buy a property, fix it up and sell it quickly or do you want to buy a property, hold it and wait for the market to increase? Do you want to deal with renters? All of these questions are ones that you need to answer before you invest in any piece of real estate.

10 Strategies to Purchase Property Post-Pandemic Aug 08 2021 For anyone thinking about investing in real estate today, you need to read 10 Strategies to Purchase Property Post-Pandemic. It gives you all the essential legal information, insightful industry concepts, and practical pro-tips that you need to make your next deal. You will learn how to evaluate, negotiate, and close your next acquisition target. Don't wait another second before you get started. During the pandemic, The Lieb Cast took the opportunity to write a book, 10 Strategies to Purchase Property Post-Pandemic: The Ultimate Guide to Real Estate Investing. As real estate people, we quickly realized that the pandemic was a great disrupter to real estate, and it would cause investment opportunities to appear everywhere. Initially, it caused city-dwellers to escape to the suburbs and countryside, which deflated the city's real estate valuations and boomed prices everywhere else. Then, distressed properties popped when the federal and state moratoriums on foreclosures and evictions ran their course and the floodgates opened exposing the 1 in 5 renters behind on rent and just over 10 million homeowners behind on mortgage payments. We knew that everyone, everywhere, would want to get in on the real estate game. Yet, simply writing a check is not how it's done, unless you plan to go broke. Real estate investing takes a tremendous amount of knowledge and skills. Dumb luck can only get you so far. Unfortunately, other books in the marketplace lacked the substance that investors craved and required. So, we set out to fill that gap in the marketplace. This book is different. It details everything that an investor needs to know from the time that they say I want to invest to the moment that they close on their purchase. It starts by helping the investor to set their bottom line, both emotionally and with hard numbers, and it ends by teaching the investor how to craft a business plan so that they can start investing today. In the middle, we include countless negotiating skills, legal lessons, and plain-English explanations of each key contractual clause that must be negotiated when purchasing real estate. While this book was written for the post-pandemic time-period, the skills that it delivers are timeless. Every real estate investor needs to read this book. It will quickly become their ultimate go-to guide and desk reference. About The Lieb Cast Andrew and Lauren are partners in life, both professionally and personally. They are thought-leaders, educators, and entrepreneurs. They operate a law firm, a licensed real estate school, and a compliance company. Together, the Liebs also host a weekly podcast, The Lieb Cast, which discusses how current events impact real estate and business. They are highly-educated and articulate real estate professionals who have the unique ability to share their expertise in an understandable language that every listener and reader can grasp and benefit from. They make the technical palatable.

The Real Estate Game Sep 09 2021 From a Harvard Business School professor comes a concise, accessible, state-of-the-art guide to developing and investing in real estate.

Easy Money with Real Estate Rentals May 17 2022 Did you know that 90% of the world's millionaires have built their fortunes by investing in real estate? It's true! And it gets better. Investing in real estate rentals the right way is a great way to make easy money! This is the kind of money that gives you the financial freedom to retire early or spend your time the way you want to instead of the way your boss wants you to. This is the much sought-after passive income that destroys the time=money equation. If you are new to investing and haven't decided yet if rentals are for you, the investing guide makes a solid case for investing in real estate rentals. It also gives you a mile-high view of real estate rental types by presenting the pros and cons of 7 different types of rental income producing properties. This includes no live-in tenant storage facilities all the way up to multi-tenant apartment complexes. If you already have a property generating rental income, this book offers you a detailed discussion on the fundamental concepts behind real estate investing, with tips on scaling and increasing cash flow. This book will help you with your investment strategy by helping you understand how much money you need to retire. Most people struggle with this calculation, but the author simplifies an approach to determine it and provides the tools you need to evaluate your own situation. Of particular value is a chapter on what makes a bad, good and great investment. For bad investments, there are a series of tips for how to make it good, or even great. You'll get the low-down on retirement horizon, risk, the benefits of positive cash flow, using leverage to your advantage, the benefits of paying off a loan early, rental property expenses (spreadsheet calculator provided) and how clever banks get their money back sooner rather than later. The real estate rental guide even presents knowledge taught to REALTORS® (they are the experts) for an investor to take advantage of when undertaking a real estate transaction. It is often said that an investor makes money when the investment is purchased, not when it is sold. It's another way of emphasizing the importance of getting a great deal. To help you make a smart purchase, you will learn three analysis methods used to determine a property's market value. This includes evaluating properties like single-family detached homes and how to evaluate a rental investment using its income. In the real estate guide, you'll find vital tips for negotiating a deal. This includes which information to gather when preparing for a negotiation and negotiation tactics that will put you in the strongest position possible. Also, to help with your purchase, 7 types of financing are explained, in addition to the fees that lenders typically charge. Determining market value, understanding rental property expenses, and negotiating a great deal will help you move directly towards financial freedom. The rental property investing book is an easy read filled with priceless information from an expert. Whether you are a novice or longtime real estate investor, this book will help you on your journey to becoming a better investor who plays the real estate investing game like a pro. Who knows, maybe you will become the next millionaire real estate investor who finds financial freedom through rentals.
