"Can you honestly say you don't want me?" Lily Montgomery finds the perfect antidote to an anticlimactic New Year's Eve: a hot, up-against-the-door one-night stand with a sexy millionaire. Trouble is, the man in question is Kit, the ex-husband she's spent five years getting over. For Kit Buchanan, the past few years have been hellish! He's conquered the business world, but when it comes to the bedroom he's had the mother of all dry spells. Clearly he needs to get Lily out of his system once and for all! But one supercharged night later, Kit's not so sure. After all, why move on when he's having so much fun where he is? Flirting with danger... Having sworn off love when his wife left him for his best friend, ex-army doc Luke Ralston revels in his lone wolf existence. Until the arrival of beautiful doctor Sarah Ledet tempts him to reconsider his stance on romance. Sexy Luke is the last kind of distraction Sarah needs as she starts over, determined to prove herself once and for all. But when an avalanche traps them together, and body heat is the only way to survive, suddenly all bets are off! Adult Coloring Book coloring book pages with stress relieving and relaxing designs coloring Book with: gel pen, marker, colored pencils with crayons funny swear word coloring pages This special swear word adult coloring book Coloring Book best of First Published in 1996. Routledge is an imprint of Taylor & Francis, an informa company. Can a Christmas kiss... ..lead to their happy-ever-after? Nurse Hollee Cantrell is stunned when ex-army doc Clancy deOliveira begins working at her hospital. Years ago, they shared a passionate kiss—but then Clancy left and Hollee married his best friend. Now widowed, it's time for Hollee to admit that her marriage was a sham and she's never stopped thinking about Clancy. And as their desire reignites, it seems Clancy hasn't forgotten her either... "Ms. Beckett is a wonderful author whose books I normally find easy to get into.... Overall, Ms. Beckett has delivered a good read in this book where the chemistry between this couple was strong right from the beginning and only gets stronger as this story progresses...." —Harlequin Junkie on The Surgeon's Surprise Baby "Every medical romance I've read by Ms. Beckett has entertained me from start to finish, as she writes complex characters with interesting back stories, compelling dialogue that has me enjoying the growing relationship between the two main characters, and challenging obstacles for the characters to overcome and this story was no different." —Harlequin Junkie on One Night to Change Their Lives The one guy she shouldn't want... Honor Mitchell has lived with guilt and regret for a long time, so when she promises to do the things on her dying best friend's wish list, she's determined to follow through and do something right for a change. But when she's thrown together for wedding duties with the one man who complicates her vow - just by looking at him - she has to put her faith in Bryce Bishop's pledge to help

her, no strings attached. Bryce's near one-night stand with his ex-girlfriend's best friend a few months ago might have been a mistake, but helping the beautiful, free-spirited Honor with her promise isn't. His trust in women is shot, but he can't help but play his best man card to his advantage and help Honor tick off the items on his ex's list, even if it puts him in a no-win situation. Because his assistance might get Honor what she wants, but suddenly being the do-good guy puts his plans - and heart - in serious jeopardy. NOW A MULTI-AWARD-WINNING BOOK! 2019 WRITE TOUCH READERS' AWARD WINNER 2019 NEW ENGLAND READERS' CHOICE CONTEST WINNER 2019 THE CAROLYN READERS' CHOICE AWARD FINALIST A full-length sex-positive romantic comedy! Running an auto shop is hard; running an auto shop as a woman is harder; running an auto shop with your ex--who is about to become your STEP-FATHER--and his hot brother is just insane. (And then there's the chicken.) Edie Becker is living her childhood dream of running her grandfather's auto shop. She just didn't count on having to share ownership of the company with two other people. Specifically, her ex-fiancé and his gorgeous older brother, Luke. When Luke rolls into town for the first time in years, he has news that changes everything—he's now the majority shareholder and he needs to sell the auto shop, and Edie's house next door, as soon as he can. To make matters worse, Edie's ex-fiancé has just proposed...to her mother. Edie's determined to find a way to save her auto shop, to finally stand up to her heinous mother, and to not kiss Luke ever again...especially since he didn't kiss her back. If Edie's plans don't work, she'll be unemployed, homeless, and worse: heartbroken. Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. The Kissing Booth, a Level 4 Reader, is A2+ in the CEFR framework. The text is made up of sentences with up to three clauses, introducing more complex uses of present perfect simple, passives, phrasal verbs and simple relative clauses. It is well supported by illustrations, which appear regularly. Elle has one more year of high school left, and she has never been kissed. When she decides to make a kissing booth for the school carnival, she kisses Noah, her best friend Lee's brother, and her life changes. But Noah is older than Elle, and Lee will not be happy. Will Elle listen to her head or her heart? Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook). I shoot war zones, not nuptials. But when my ex-wife lands a starring role in the wedding of the year, it's tempting to change things up a bit. Who's better than me to follow her around before and during the big day, capturing every picturesque moment, snapping every detail as they join together in wedlock? No one. Not to mention, she still owes me for destroying my prized vintage camera during our divorce. As the saying goes, revenge is a dish best served cold. He has a problem...Dylan Rhodes has a stalker. His ex -Brittany - refuses to accept that their relationship is over and has been for almost a year. Determined to stop hiding - and counting on the fact that she hates sports - he agrees to check out a new sports bar with his brother, only to have her appear. Desperate times call for desperate measures...London has loved Dylan since the third grade when he saved her from bullies. He was her best friend and there was nothing she wouldn't do for him. So when he asks for a favor to chase his away his ex, she's all for it. But sometimes a favor can take an unexpected turn... In an attempt to find his way back into his ex-girlfriends life, Adam offers Dalia the opportunity of a lifetime. She will direct a

television show that will air nationwide, earning her power and money she never dreamed of having. Everything goes according to plan until Global executives insist Adam hires Dalia's ex-husband and figure skating partner Ryan to work with her on the show. The station argues that Ryan's presence will attract more viewers and possibly reunite Canada's favourite couple. The tension mounts as the history of this love triangle finally comes to a head in the conclusion of the trilogy, Kiss and Cry. "After her on-air proposal is turned down by her commitment-phobe boyfriend, Georgia Stone must learn to survive singledom. Unfortunately, thanks to a clause in her contract, she has to do it under the watchful gaze of brooding radio producer Zander Rush. And so begins the year of Georgia"--P. [4] of cover. First published in 1949 (this edition in 1968), this book is a dictionary of the past, exploring the language of the criminal and near-criminal worlds. It includes entries from Australia, New Zealand, Canada and South Africa, as well as from Britain and America and offers a fascinating and unique study of language. The book provides an invaluable insight into social history, with the British vocabulary dating back to the 16th century and the American to the late 18th century. Each entry comes complete with the approximate date of origin, the etymology for each word, and a note of the milieu in which the expression arose. Synopsis coming soon.....

Opera is the grandest and most potent cultural expression of the nationalist movement which led to the establishment of the Czechoslovak Republic in 1918. During this period Czech opera developed into a genre of major artistic importance cultivated by composers of the stature of Smetana, Dvořák and Janáček. Czech Opera examines opera in its national contexts, and is a study not only of operas written in Czech, but also of the specific circumstances which shaped them. These include the historical and political background to the period, the theatres in which Czech plays and operas were first performed, and the composers and performers who worked in them. The role of the librettists is given particular prominence and is complemented by a detailed chapter on the subject matter of the librettos shedding light on the subject matter of the historical and mythic background of the genre.

The ex games: When Hayden wins the girls' division of a local snowboarding competition, her ex-boyfriend Nick claims she wouldn't have a chance against a guy, prompting a battle of the sexes. Always practise safe sex . . . New York Times bestselling author Rachel Hawkins, writing as Erin Sterling, follows her sensational TikTok hit, *The Ex Hex*, and casts a spell with a new spine-tingling romance full of wishes, witches, and cursed kisses. 'A spooky romantic comedy treat that had me sighing at one page, laughing out loud at the next' TESSA BAILEY on *The Ex Hex* Readers ADORED *The Ex Hex*! 'If Sabrina the Teenage Witch and Gilmore Girls had a book baby, it would be THE EX HEX. And yes, it's just as glorious as it sounds!' 'I loved and adored everything about this book . . . everything I was looking for! 5/5 stars!' 'The vibes were immaculate' 'One of the best rom-coms I've read all year! . . . It's Practical Magic meets Gilmore Girls and I am a hundred percent OBSESSED!' 'Definite Gilmore Girls vibes but with more magic and sex' 'A fantastic romance with more than a touch of magic' 'This book is pitched as Hocus Pocus, but it bangs and it certainly did' ..... Magic doesn't always play by the rules. Gwyn Jones is perfectly happy with her life in Graves Glen. She's formed a powerful new coven with her family; she's running a successful witchcraft shop, *Something Wicked*; and she's mentoring some of the younger witches in town. As Halloween approaches, there's only one problem - Llewellyn 'Wells' Penhallow. Wells has come to Graves Glen for two reasons: to re-establish his family's connection to the town and to make a new life for himself away from his father. But when he opens a magic shop of his own just across the street from Gwyn's, he quickly learns that going up against her won't be as easy as he thought . . . especially after an accidentally magic-inspired - and very hot - kiss. While Gwyn and Wells are fully committed to their witchy rivalry, they soon find themselves thrown together once again to deal with the sudden appearance of a mysterious new coven and Gwyn's growing concern that something - or someone - is messing with her magic . . . ..... Praise for *The Ex Hex*, an unmissable treat! 'Sterling's novel is ultimately crisp and sweet, like biting into the perfect caramel apple . . . will sweep readers up into a world of whimsical magic' Kirkus 'Filled with delightful witchiness and humor . . . a fluffy Halloween treat' Publishers Weekly 'A delightful and witty take on witchy mayhem' PopSugar 'You can't help but smile and laugh while reading *The Ex Hex* . . . Perfect for anyone who needs more witchy content in their lives' The Nerd Daily Excerpt from the opening chapter--"Of kissing it has been quaintly said that nature was its author and it began with the first courtship. The Scandinavian tradition was that kissing was an exotic introduced into England by Rowena, the beautiful daughter of Hengist, the Saxon. Cat

has one week to win back her ex, but it only takes one day with a beach town bad boy to learn that all her well-laid plans are nothing compared to a passionate kiss. Catherine Vaughn has a plan. Of course she does, the type-A student council president always has a plan. But her itinerary for Senior Week doesn't just include fun events for her classmates. She aims to create a magical, romantic moment so her ex-boyfriend will see just how right they are together. It's an excellent plan...except that everything goes wrong. Her perfect plan falls apart spectacularly on her very first day at the beach when she's stranded in the rain and is grudgingly rescued by a British hottie with a bad attitude. But when her reluctant knight-in-shining-armor kisses her senseless, everything she thought she knew is called into question. It seems magic, romance, and love don't play by the rules...and they sure as heck don't follow a plan. How did I end up in a fake relationship with the gorgeous captain of the basketball team, Jett Bryant? Where do I start? Back in kindergarten, I used to dream about kissing that adorable brown-eyed boy. He was also the pastor's son but that didn't stop me from chasing him down, tackling him on the playground, and kissing him smack on the lips. Then in eighth grade, I was about to kiss him for real (as real as a spin the bottle kiss could get) but Jett ruined it by telling everyone about the playground kiss so I kissed some guy named James instead. Fast-forward to our senior year where Jett and I got partnered in Marriage and Relations class and were asked to research-of all things-The Chemistry of a Kiss. It had me thinking about those yummy lips of his a little, but I kept my focus strong since I was dating TJ Reynolds, one of Sweet Water's most misunderstood bad boys and lead singer of Grungetown. But somewhere along the way, TJ got jealous and kissed Jett's vicious ex-girlfriend and that's how he became my ex and that's when the whole fake relationship idea started in the first place. The trouble is, all the feelings I had for Jett over the years came pouring back as we spent time together, and our topic wasn't helping the situation one bit. Neither were the incredible kisses he gave me as we "pretended" to like each other. Things really get complicated when Jett starts cozying up to me when nobody's around to witness it. Maybe this whole fake relationship is turning into the real thing. But how can I be sure? "Woman, the trick of trying to capture others is a bit boring. I like it a bit more direct!" He had seized her mercilessly ... He had come with a goal in mind. He had come here to make a fool out of himself. In the end, what he had fallen into was his own heart ... Ellie Cohen is living her dream. A great job at an exclusive Mayfair art gallery, loyal mates, loving family, and really, really good hair. Well, there's the famous rock-star father who refuses to acknowledge her and a succession of 'challenging' boyfriends, but nobody's perfect. But when a vengeful ex sells Ellie out to the press, she suddenly finds herself fighting to keep her job, her reputation and her sanity. Then David Gold - handsome, charming but ruthlessly ambitious - is sent in to manage the media crisis . . . and Ellie. David thinks she's a gold-digger and Ellie thinks he's a shark in a Savile Row suit, so it's just as well that falling in love is the last thing on their minds . . . "I'm going to kiss you now." Those were the most beautiful words a man had ever spoken to me. They were the start of my obsession. And the start of my life getting turned upside down. That night in the club, I was celebrating my new success (and luck) because I'd finally landed an investor for my budding company. I had no idea the hot stranger who would tempt me back to his place would end up being the guy who was cutting my checks. Lark is everything I want in a man, but that doesn't matter. Not at all. Because mixing money and emotions is a sin, and when you toss in the fact his ex-wife is his business partner, you'd have to be insane to think love is possible. I should say no when he locks us inside his office. I shouldn't spend the night while his ex is trying to destroy my reputation. I really shouldn't let his lips get close when he whispers, "I'm going to kiss you now." But I guess I'm insane. Because I do. Two years ago, Harry Rane's wife died after a bout with cancer. Then, grief-stricken and careless, he went back to his job as a New Jersey state cop and got shot in the line of duty. He took early retirement, and now lives in an old farmhouse in rural New Jersey and takes life one day at a time. It's not much, but he gets by. Things change when an old friend from his grade school days in Long Branch calls him for help. Bobby was Harry's best friend until high school graduation, but when Harry went to the police academy Bobby went another way, working, dealing a little on the side. Now he's taken one last chance and gotten in over his head for \$50,000 to Eddie Fallon, a local crime boss. Harry goes to see Fallon on Bobby's behalf, hoping to work something out, but it's hard to negotiate with a man like Fallon, and things quickly get complicated, and dangerous. He does learn, too, that he and Fallon have something in common --- Fallon's wife is an ex-girlfriend Harry hasn't seen since he was eighteen, a girl who was pregnant with his child when she ran

away. In *The Barbed-Wire Kiss*, Wallace Stroby's brooding, blistering debut set against the spare, atmospheric background of downstate New Jersey, Harry gets caught between his past and his future, between right and vengeance. When a mean girl kisses a nice guy, someone is going to get hurt. Or fall in love. Or...maybe both. Tina Withers doesn't do nice. When she kisses Julian-the-emo-songwriter-freak to make his cheating ex-girlfriend jealous it's absolutely not out of the kindness of her heart. She's only evening the score since he'd not only let her cry on his shoulder after her latest breakup with her jerk of an ex, but he'd kept the whole humiliating incident a secret. Her frenemies would have leaped at the chance to take her down a notch by spilling the gory details of her stockroom meltdown. So yeah, she owed him one. Besides, a good guy like Julian deserves better than his manipulative, selfish ex. And no matter how hot his kisses might be, he deserves better than her, too. She's spent a lifetime creating her reputation as the biggest baddie at school, and her crowning glory is in sight as she prepares to claim her throne as Briarwood's reigning prom queen. It's too late to change now...isn't it? Or maybe Julian is right. Maybe a little nice goes a long way when you're known for being mean. Your first kiss is something you remember your entire life. The awkwardness, the embarrassment, the knowledge that things will never be the same between you again...and more than anything, the absolute bliss of that special moment. Despite how things turned out between us, our first kiss is burned into my mind. Similarly, you never forget your first love. I know I haven't. Mizuto was mine, but would he say the same about me? Surely he doesn't think his first love is this extroverted college girl who has her act together, right? So why is he following her around like a little puppy?! Argh, why do I even care?! We broke up. We're stepsiblings now. There aren't any lingering feelings between us. So how come I can't stop thinking about our first kiss? Maybe if I'd been more assertive... No. There's no reason to dwell on the past. I need to focus on what's ahead, like our family trip to his father's hometown... This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice,

reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1969. Identification & values of over 20,000 collectible toys. In *The Art of Kissing*, William Cane reveals that there is more to kissing than simply locking lips. Through a hundred thousand interviews he has discovered the truth about what men and women do, think, and feel when they kiss. Their input and his expert knowledge can help you to master the secrets of great kissing. With specific techniques for more than thirty types of kisses, this updated and revised edition features: \* Overcoming first kiss shyness \* Secrets to increasing your 'kissability' \* Complete instructions on French Kissing \* Electric kisses, neck kisses, ear kisses and much more Transform your kissing technique, pucker up with passion, and master The Art of Kissing today! Bubbly schoolteacher Sasha bumps into her ex, wild rock god Nate Munro, in order to ask him a massive favor, but when news of their meeting goes public, a scandal ensues. From the author of *Tattoo Girl* comes this heartfelt novel about love after marriage. *A Christmas Kiss With Her Ex-Army Doc* - Tina Beckett Years after their passionate kiss, nurse Hollee's stunned when ex-army doc Clancy begins working at her hospital - and their desire reignites! *The Doctors' Christmas Reunion* - Meredith Webber Heartbreaking loss tore doctors Ellie and Andy's marriage apart.
