Even though office gossip is generally frowned upon, many studies show that gossip in organizations is not only inevitable, but can even be a positive communication tool. However, by gossiping in the wrong way, employees can easily lose the trust of their colleagues and be perceived negatively very quickly. There is an optimal amount of time one should gossip - somewhere in the middle - which we call the sweet spot of gossip. However, it's not only the amount of time one spends gossiping that will make or break an employee or manager.

series about the most popular high school crowd. Christmas parties, the end of exams, revenge-plotting and the most talked about New Year's Eve party might spell big trouble for Upper East Side's elite. Set in New York the narrative takes a voyeuristic look into the troubled, raw and indulgent lives of Manhattan's super-rich. The first three books in von Ziegesar's Gossip Girls series are packaged together in this paperback boxed set. Includes "Gossip Girl, You Know You Love Me," and "All I Want Is Everything." Abstract: Women in higher education and the consumer pressures they feel have implications for the quality of an education a woman receives. With college tuition rising, more and more college students are going into deeper financial debt than ever before (National Center for Educational Statistics, 2008). Popular culture influences on the college-going population depict success as driving expensive cars, having expensive purses and, generally, living the life of the uber wealthy. In 2002, Cecily von Ziegesar's young adult fiction novels Gossip Girl became wildly popular. Much of these novels are focused around luxury brand names, wealth, popularity, and privilege, which has started a new trend in young adult literature. Few, if any, studies have been conducted to examine the consumer and

*lifestyle expectations of college women who are Gossip Girl readers. In-depth interviews were conducted with college women who are Gossip Girl readers in one Southern state. A phenomenological case study was used to collect and analyze data about students' perception of the luxury life depicted in the novels and how they make sense of these images and narratives relevant to their college experience and aspirations for the future.*

*Toen Jenny Humphrey een misdaad bekende die ze niet had begaan – de brandstichting waardoor de Miller Farm volledig uitbrandde – dacht ze dat haar leven op Waverly Academy voorbij was. Maar als op het laatste moment blijkt dat ze toch niet wordt geschorst, is ze het gesprek van de dag. Iedereen wil weten wie Jenny heeft gered, en daarom maakt ze een plan: op het jaarlijkse gemaskerde bal voor Halloween zal ze onthullen wie haar geheime aanbieder is. Callie Vernon weet wel wie haar prins op het witte paard is: Easy Walsh. Toen hij ontdekte dat zij en Tinsley Carmichael hebben geprobeerd Jenny van school te laten trappen, dumpte Easy haar ter plekke. Nu verkleedt Callie zich als Assepoester in de hoop zijn hart terug te winnen... Iedereen hoopt op een sprookjesachtig einde. Maar er kan maar één it-girl zijn!
